

The Kimberley and District Community Foundation Application Form Winter Games Legacy Grant

Application Deadline is Friday, February 10, 2017

Note: Please attach a **financial statement** for your organization for the previous year along with the completed application form. In addition, to facilitate tracking, and maintain recipient records for our reports, each application must include two or three digital photos of your group in action. Please email photos only to grants@kimberleyfoundation.ca

Eligibility Requirements:

Funds will be granted to organizations that promote **amateur sport in Kimberley**. Favorable consideration will be given to applications that request funds to

1. train and develop the skills and knowledge of club members as well as coaches, referees, and volunteers. This could be in the form of clinics, workshops, courses or reference materials.
2. purchase sports equipment to be used directly by the athletes
3. have a long term effect on the community. We like our grants to be sustainable..meaning not having to request funding for the same project next year. One time funding projects are favorably received.

Applications requesting funding for accommodation, travel or day to day club expenses will not be considered. (e.g. rental of facilities, ongoing salaries). Only one application per organization will be considered.

We look favorably upon club fundraising.

Clubs do not have to be a registered charity to apply.

Completed applications can be emailed to grants@kimberleyfoundation.ca OR dropped off at City Hall.

Application forms are available on the foundations website: kimberleyfoundation.ca and at City Hall. If your application is approved, the amount granted may not necessarily equal the amount requested.

If you have any questions in regard to filling out this application, please email: desmckay@shaw.ca
